

Game Programming: Rock, Paper, Scissors, Lizard, Spock

The game appears in one of the episodes of The Big Bang Theory series. One of the characters, Sheldon, suggests playing this extended version of the Rock, Paper, Scissors game

The game is an **expansion** on the game ***Rock, Paper, Scissors***. Each player picks a variable and reveals it at the same time. The winner is the one who defeats the others. In a tie, the process is repeated until a winner is found.
